Forest Service

Organizational Directory

The Forest Service Organizational Directory is published by the Washington Office Human Capital Management Staff, Human Capital Management Systems. Information for this Directory was collected in August 2007. With the exception of the changes in some leadership positions, that information is published herein. **This is not a listing of all Forest Service personnel.**

For additional copies of this book, or to update information, contact the Albuquerque Service Center at 877–372–7248, option 2.

The picture on the cover is a view of the Human Capital Management building at the Albuquerque Service Center in Albuquerque, NM.

U.S. Department of Agriculture
FOREST SERVICE

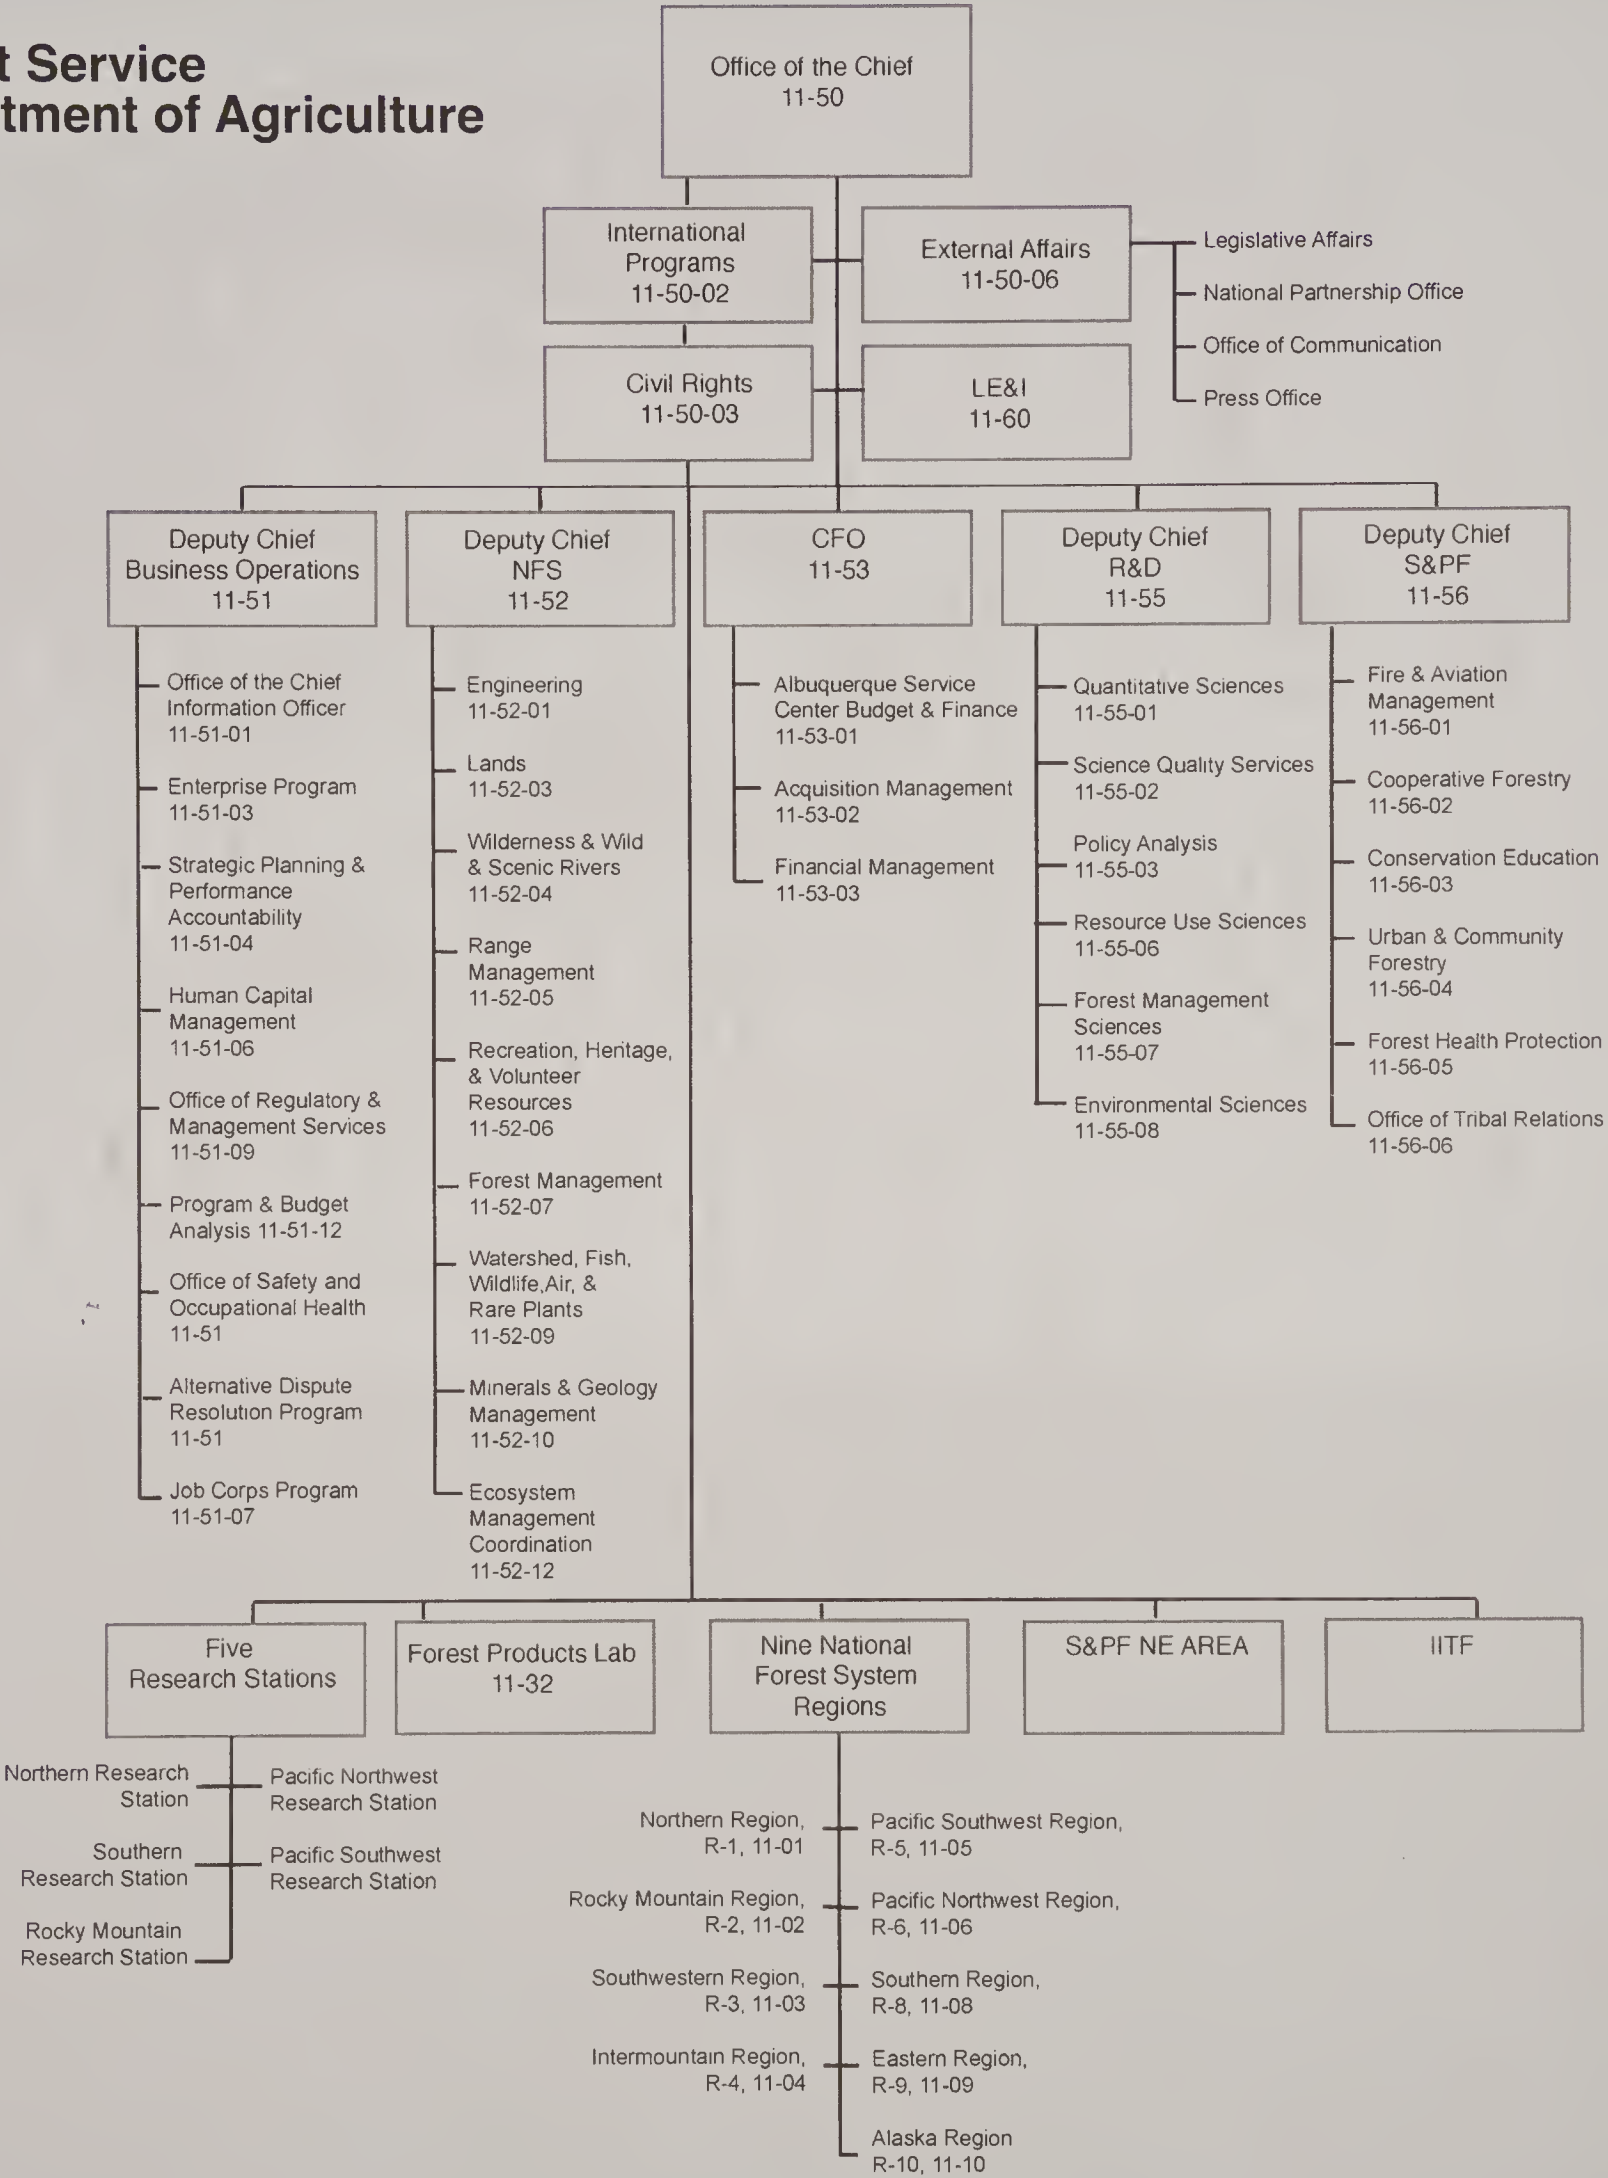

Based on a map prepared by the Geospatial Service and Technology Center, Salt Lake City, UT. Map features generalized from 1:2,000,000 U.S. Geological Survey and USDA Forest Service digital data. Slightly revised April 2002.

NOTE: One or more national forests, grasslands, or other divisions portrayed on this map may be managed under a joint administrative unit.

-  National Headquarters
  National Forests
  National Grasslands
  Regional Boundaries
  International Institute of Tropical Forestry
-  Regional Headquarters
  Research Station Headquarters
  Forest Products Laboratory
  State and Private Forestry Area Headquarters
 (In other Regions these activities are directed from Regional headquarters)
